FINAL NOTICE OF DELINQUENCY

You were given ample opportunity to clear your account. Since you did not respond to our initial notice, your debt is assumed valid, and any appeal rights waived. We will further assume that you are evading payment of the balance due. Therefore, we are informing you that this office will either initiate legal action or refer your account to a licensed collection agency to protect the interest of the City and County of San Francisco. This action may affect your credit. Additional collection fees may be imposed and added to the principal charge.

Enforcement of judgment remedies include, but are not limited to, wage garnishment, levy of bank account(s) and personal property, recordation of an abstract of judgment in any county where you may own property, and offset of your state income tax refund. This judgment lien will be a public record and may be inspected by credit agencies, and other interested parties. This judgment will accrue interest and costs. We strongly believe that it is of your best interest to satisfy this balance due as soon as possible.

There are several payment methods available for your convenience.
