I. INTRODUCTION AND SOLICITATION SCHEDULE

A. Introduction

1. General

This Request for Proposals (hereinafter “RFP” or “Solicitation”) is being issued by the Office of the Treasurer and Tax Collector (hereinafter, “TTX” or “City”). TTX, on behalf of all City Departments, is seeking qualified suppliers (“Proposers”) to provide proposals (“Proposal”) for the custom development of a separate, standalone application that seamlessly integrates with the existing business tax systems infrastructure and ecosystem, to serve as the system of record for business tax and to support the department in the ongoing administration and collection of the City’s current and future business taxes, fees and licenses, in accordance with Appendix C, Scope of Work.

The City has approximately 65 departments, ranging from small to very large. Some departments maintain facilities located outside of the geographic limits of the City. TTX shall order goods and/or services covered by the awarded contract(s) through the issuance of individual Purchase Orders and/or Task Orders which shall be released against the awarded contract(s) during the contract term.

When applicable and practical, Proposers are encouraged to engage contracting teams that reflect the diversity of the City and include participation of businesses and residents from the City’s most disadvantaged communities including, but not limited to the Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhoods.

2. Selection Overview

The City shall award a contract to the Proposer that meets the Minimum Qualifications of this Solicitation whose Proposal receives the highest-ranking score. Responsive Proposals will be evaluated by a panel (“Evaluation Panel”) consisting of one or more parties with expertise related to goods and/or services being procured through this Solicitation. The Evaluation Panel may include staff from various City departments. Proposals will be evaluated based on the criteria outlined herein. If applicable, a Contract Monitoring Division (CMD) Contract Compliance Officer will assess Proposal compliance with Local Business Enterprise (LBE) requirements and assign a rating bonus to Proposal scores. The CMD-adjusted scores (if applicable) will then be tabulated, and Proposers will be ranked starting with the Proposer receiving the highest score, then continuing with the Proposer receiving the second highest score, and so on.

B. Indefinite Quantity, As-Needed Contract

A contract awarded pursuant to this Solicitation will result in a term, indefinite quantities, as-needed contract. There is no guarantee of a minimum amount of goods or services for any of the Proposers selected for contract negotiations or for the awarded Proposer(s). Unless otherwise specified herein, deliveries and services will be required in quantities and at times as ordered during the period of the contract. Estimated quantities, if any, stated in this Solicitation are approximations only. City, in its sole discretion, may purchase any greater or lesser quantity. City may also make purchases of items awarded pursuant to this Solicitation from other suppliers when City determines, in its sole discretion, that it is in the best interest of the City to do so.

C. Cooperative Agreement

Any other City department, public entity or non-profit made up of multiple public entities, may use the results of this Solicitation to obtain some or all of the commodities or services to be provided by Proposer under the same terms and conditions of any contract awarded pursuant to this Solicitation.
D. Contract Terms and Negotiations

The successful Proposer will be required to enter into a contract substantially in the form attached hereto as Appendix B, City’s Contract Terms. If the successful Proposer is unable to accept City’s Contract Terms substantially in the form presented, Proposer shall provide a revised and redlined copy of City’s Contract Terms upon request. The revised copy of City’s Contract Terms must clearly:

1. Mark those sections to which it objects;
2. Set forth Proposer’s alternative terms with respect to each such section; and
3. Explain the basis for each proposed change.

If a satisfactory contract(s) cannot be negotiated in a reasonable time, the City, in its sole discretion, may terminate negotiations. Upon termination of negotiations, City may begin negotiation with the Proposer that meets the Minimum Qualifications of this Solicitation whose Proposal receives the next highest-ranking score.

IV. CITY’S SOCIAL AND ECONOMIC POLICY REQUIREMENTS

The San Francisco Municipal Code establishes a number of requirements for people seeking to do business with the City (“Social and Economic Policy Requirements”). These Social and Economic Policy Requirements can be found in Appendix B, City’s Contract Terms, which Proposers are encouraged to carefully review. The Social and Economic Policy Requirements set forth below are not intended to be a complete list of all Social Policy Requirements applicable to this Solicitation and any contracts awarded from it.

B. Health Care Accountability Ordinance (HCAO)

For each Covered Employee, the awarded Contractor shall provide the appropriate health benefit set forth in Article 121.3. If the awarded Contractor chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission. Information about and the text of Article 121, as well as the Health Commission’s minimum standards, is available on the web at http://sfgov.org/olse/hcao. An awarded Contractor is subject to the enforcement and penalty provisions in Article 121. Any Subcontract entered into by the awarded Contractor shall require any Subcontractor with 20 or more employees to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. E. **Non-Profit Entities**

To receive a contract under this Solicitation, any nonprofit Proposer must be in good standing with the California Attorney General’s Registry of Charitable Trusts by the time of contract execution and must remain in good standing during the term of the agreement. Upon request, Proposer must provide documentation to the City demonstrating its good standing with applicable legal requirements. If Proposer will use any nonprofit subcontractors to perform the agreement, Proposer will be responsible for ensuring they are also in compliance with all requirements of the Attorney General’s Registry of Charitable Trusts at the time of Contract execution and for the duration of the agreement.

F. **Other Social Policy Provisions**

Appendix B, City’s Contract Terms, identifies the City’s applicable social policy provisions related to a contract awarded pursuant to this Solicitation. Proposers are encouraged to carefully review these terms and ensure they are able to comply with them.

V. **TERMS AND CONDITIONS FOR RECEIPT OF PROPOSALS**

A. **Public Disclosure**

All documents under this solicitation process are subject to public disclosure per the California Public Records Act (California Government Code Section §6250 et. Seq) and the San Francisco Sunshine Ordinance (San Francisco Administrative Code Chapter 67). Contracts, Proposals, responses, and all other records of communications between the City and Proposers shall be open to inspection immediately after a contract has been awarded. Nothing in this Administrative Code provision requires the disclosure of a private person’s or organization’s net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit.

If the City receives a Public Records Request (“Request”) pertaining to this solicitation, City will use its best efforts to notify the affected Proposer(s) of the Request and to provide the Proposer with a description of the material that the City deems responsive and the due date for disclosure (“Response Date”). If the Proposer asserts that some or all of the material requested contains or reveals valuable trade secret or other information belonging to the Proposer that is exempt from disclosure and directs the City in writing to withhold such material from production (“Withholding Directive”), then the City will comply with the Withholding Directive on the condition that the Proposer seeks judicial relief on or before the Response Date. Should Proposer fail to seek judicial relief on or before the Response Date, the City shall proceed with the disclosure of responsive documents.

B. **Limitation on Communications During Solicitation**

From the date this Solicitation is issued until the date the competitive process of this Solicitation is completed (either by cancelation or final Award), Proposers and their subcontractors, vendors, representatives and/or other parties under Proposer’s control, shall communicate solely...
with the Contract Administrator whose name appears in this Solicitation. Any attempt to communicate with any party other than the Contract Administrator whose name appears in this Solicitation – including any City official, representative or employee – is strictly prohibited. Failure to comply with this communications protocol may, at the sole discretion of City, result in the disqualification of the Proposer or potential Proposer from the competitive process. This protocol does not apply to communications with the City regarding business not related to this Solicitation.

C. Proposal Selection Shall not Imply Acceptance

The acceptance and/or selection of any Proposal(s) shall not imply acceptance by the City of all terms of the Proposal(s), which may be subject to further approvals before the City may be legally bound thereby.

D. Cybersecurity Risk Assessment

As part of City’s evaluation process, City may engage in Cybersecurity Risk Assessment (CRA). CRA may be performed for each entity manufacturing the product, performing technical functions related to the product’s performance, and/or accessing City’s networks and systems. Where a prime contractor or reseller plays an active role in each of these activities, CRA may also be required for the prime contractor or reseller.

To conduct a CRA, City may collect as part of this Solicitation process one of the following two reports:

• **SOC-2 Type 2 Report**: Report on Controls at a Service Organization Relevant to Security, Availability, Processing Integrity, Confidentiality or Privacy; or
• **City’s Cyber Risk Assessment Questionnaire**: Proposer’s responses to a City’s Cyber Risk Assessment Questionnaire.

The above reports may be requested at such time City has selected or is considering a potential Proposer. The reports will be evaluated by the soliciting Department and the City’s Department of Technology to identify existing or potential cyber risks to City. Should such risks be identified, City may afford a potential Proposer an opportunity to cure such risk within a period of time deemed reasonable to City. Such remediation and continuing compliance shall be subject to City’s on-going review and audit through industry-standard methodologies, including but not limited to: on-site visits, review of the entities’ cybersecurity program, penetration testing, and/or code reviews.

E. Solicitation Errors and Omissions

Proposers are responsible for reviewing all portions of this Solicitation. Proposers are to promptly notify the City, in writing and to the Solicitation contact person if the Proposer discovers any ambiguity, discrepancy, omission, or other error in the Solicitation. Any such notification should be directed to the City promptly after discovery, but in no event later than the deadline for questions. Modifications and clarifications will be made by Addenda as provided below.

F. Objections to Solicitation Terms

Should a Proposer object on any ground to any provision or legal requirement set forth in this Solicitation, the Proposer must, no later than the deadline for questions, provide written notice to the City setting forth with specificity the grounds for the objection. The failure of a Proposer to object in the manner set forth in this paragraph shall constitute a complete and irrevocable waiver of any such objection.
G. Protest Procedures

1. Protest of Non-Responsiveness Determination

Within three (3) business days of the City's issuance of a Notice of Non-Responsiveness, a Proposer may submit a written Notice of Protest of Non-Responsiveness. The Notice of Protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The Notice of Protest must be signed by an individual authorized to represent the Proposer, and must cite the law, rule, local ordinance, procedure or Solicitation provision on which the protest is based. In addition, the Notice of Protest must specify facts and evidence sufficient for the City to determine the validity of the protest.

2. Protest of Non-Responsible Determination

Within three (3) business days of the City's issuance of a Notice of Non-Responsibility, a Proposer may submit a written Notice of Protest of Non-Responsibility. The Notice of Protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The Notice of Protest must be signed by an individual authorized to represent the Proposer, and must cite the law, rule, local ordinance, procedure or Solicitation provision on which the protest is based. In addition, the Notice of Protest must specify facts and evidence sufficient for the City to determine the validity of the protest.

3. Protest of Contract Award

Within three (3) business days of the City's issuance of a Notice of Intent to Award, a Proposer may submit a written Notice of Protest of Contract Award. The Notice of Protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The Notice of Protest must be signed by an individual authorized to represent the Proposer, and must cite the law, rule, local ordinance, procedure or Solicitation provision on which the protest is based. In addition, the Notice of Protest must specify facts and evidence sufficient for the City to determine the validity of the protest.

4. Delivery of Protests

A Notice of Protest must be written. Protests made orally (e.g., by telephone) will not be considered. A Notice of Protest must be delivered by mail or email to the Contract Administrator whose name and contact information appears on the cover page to this Solicitation and received by the due dates stated above. A Notice of Protest shall be transmitted by a means that will objectively establish the date the City received the Notice of Protest. If a Notice of Protest is mailed, the protestor bears the risk of non-delivery within the deadlines specified herein.

H. Proposal Term

Submission of a Proposal signifies that the proposed products, services and prices are valid for 180 calendar days from the Proposal Due Date and that the quoted prices are genuine and not the result of collusion or any other anti-competitive activity. At Proposer’s election, the Proposal may remain valid beyond the 180-day period in the circumstance of extended negotiations.

I. Revision to Proposal

A Proposer may revise a Proposal on the Proposer’s own initiative at any time before the deadline for submission of Proposals. The Proposer must submit the revised Proposal in the same manner as the original. A revised Proposal must be received on or before, but no later than the Proposal Due Date and time. In no case will a statement of intent to submit a revised Proposal, or commencement of a revision process, extend the Proposal Due Date for any Proposer. At any time during the Proposal evaluation process, the City may require a Proposer to provide oral or written clarification of its Proposal. The City reserves the right to make an award without further clarifications of Proposals received.
J. Proposal Errors and Omissions

Failure by the City to object to an error, omission, or deviation in the Proposal will in no way modify the Solicitation or excuse the Proposer from full compliance with the specifications of this Solicitation or any contract awarded pursuant to this Solicitation.

K. Financial Responsibility

The City accepts no financial responsibility for any costs incurred by a Proposer in responding to this Solicitation. Proposers acknowledge and agree that their submissions in response to this Solicitation will become the property of the City and may be used by the City in any way deemed appropriate.

L. Proposer’s Obligations under the Campaign Reform Ordinance

If a contract awarded pursuant to this Solicitation has (A) a value of $100,000 or more in a fiscal year and (B) requires the approval of an elected City official, Proposers are hereby advised:

1. Submission of a Proposal in response to this Solicitation may subject the Proposers to restrictions under Campaign and Governmental Conduct Code Section 1.126, which prohibits City contractors, Proposers, and their affiliates from making political contributions to certain City elective officers and candidates; and

2. Before submitting a Proposal in response to this Solicitation, Proposers are required to notify their affiliates and subcontractors listed in the awarded contract or Proposal of the political contribution restrictions set forth in Campaign and Governmental Conduct Code section 1.126.

This restriction applies to the party seeking the contract, the party’s board of directors, chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest greater than ten percent, and any political committees controlled or sponsored by the party, as well as any subcontractors listed in the awarded contract or Proposal. The law both prohibits the donor from giving contributions and prohibits the elected official from soliciting or accepting them.

The people and entities listed in the preceding paragraph may not make a campaign contribution to the elected official at any time from the submission of a Proposal for a contract until either: (1) negotiations are terminated and no contract is awarded; or (2) twelve months have elapsed since the award of the contract.

A violation of Section 1.126 may result in criminal, civil, or administrative penalties. For further information, Proposers should contact the San Francisco Ethics Commission at (415) 252-3100 or go to https://sfethics.org/compliance/city-officers/city-contracts/city-departments/notifying-bidders-and-potential-bidders.

M. Reservations of Rights by the City

The issuance of this Solicitation does not constitute a guarantee by the City that a contract will be awarded or executed by the City. The City expressly reserves the right at any time to:

1. Waive or correct any defect or informality in any response, Proposal, or Proposal procedure;

2. Reject any or all Proposals;
3. Reissue the Solicitation;
4. Prior to submission deadline for Proposals, modify all or any portion of the selection procedures, including deadlines for accepting responses, the specifications or requirements for any materials, equipment or services to be provided under this Solicitation, or the requirements for contents or format of the Proposals;
5. Procure any materials, equipment or services specified in this Solicitation by any other means; or
6. Determine that the subject goods or services are no longer necessary.

N. No Waiver

No waiver by the City of any provision of this Solicitation shall be implied from the City’s failure to recognize or take action on account of a Proposer’s failure to comply with this Solicitation.

O. Other

1. The City may make such investigation, as it deems necessary, prior to the award of this contract to determine the conditions under which the goods are to be delivered or the work is to be performed. Factors considered by the City shall include, but not be limited to:
   a. Any condition set forth in this Solicitation;
   b. Adequacy of Proposer’s plant facilities and/or equipment, location and personnel location to properly perform all services called for under the Purchase Order; and
c. Delivery time(s).
2. City reserves the right to inspect an awarded Proposer’s place of business prior to award of and/or at any time during the contract term (or any extension thereof) to aid City in determining an awarded Proposer’s capabilities and qualifications.
3. Failure to timely execute a contract, or to furnish any and all insurance certificates and policy endorsements, surety bonds or other materials required in the contract, shall be deemed an abandonment of a contract offer. The City, in its sole discretion, may select another Proposer and may proceed against the original selectee for damages.
4. City reserves the right to reject any Proposal on which the information submitted by Proposer fails to satisfy City and/or if Proposer is unable to supply the information and documentation required by this Solicitation within the period of time requested.
5. Any false statements made by a Proposer or any related communication/clarification may result in the disqualification of its Proposal from receiving further evaluation and a contract award.
