C6. §953.6 (sum lines A17 to A19)		
C7. §953.7 (line A20)		/
C8. Total (sum lines A1 to A20)		

If all of lines C1 through C7 are less than or equal to 80%, input the gross receipts from each business activity in the row corresponding to the business activity in Appendix A.

If any of lines C1 through C7 is greater than 80%, when completing Appendix A distribute any amounts from other lines C1 through C7 to the business activity in the Code section with greater than 80% of your San Francisco gross receipts from which you derived the most gross receipts. If there is no such business activity (i.e., two or more business activities are equally the greatest), when completing Appendix A distribute the gross receipts to the business activity with the highest rates among business activities in that Code section that apply to business activities from which you derived the same amount of taxable gross receipts.

#### D. Gross Receipts Tax Calculation - Single Business Activity

Complete this section if you only selected one business activity. If you selected more than 1 business activity in Section A, skip this Section D and use Appendix A to calculated your Gross Receipts Tax. Distribute the gross receipts among Column I and input the tax rates corresponding to the business activity in Column II. Multiply each row of Column I by Column II and input the product in Column III. Sum Column III rows D1 through D5 and input in D6.
