I. INTRODUCTION AND SCHEDULE

1. About the Office of the Treasurer and Tax Collector

The City and County of San Francisco’s Office of Treasurer and Tax Collector (TTX) works to maximize revenue by building and executing high quality collections and compliance systems that balance equity, security and ease of use. We strive to provide high quality customer service through diverse channels that support all San Franciscans. Additionally, the Office of the Treasurer and Tax Collector also oversees two initiatives: The Office of Financial Empowerment and the Financial Justice Project.

The Office of Financial Empowerment (OFE) is a unique private-public partnership housed within the Office of the Treasurer and Tax Collector of San Francisco that convenes, innovates and advocates to strengthen the economic security and mobility of all San Franciscans. For more than a decade, under the leadership of Treasurer José Cisneros, the OFE has engaged partners inside and outside City Hall to equip San Franciscans with knowledge, skills and resources to strengthen their financial health and well-being.

The Financial Justice Project is the nation’s first effort embedded in government to assess and reform fines, fees, and financial penalties that disproportionately impact struggling residents. Housed in the Office of the Treasurer, the Financial Justice Project has two main goals: First, to listen to community members to identify fine and fee pain points. Second, to identify and implement doable solutions for government and the courts. Over the last two years, The Financial Justice Project has worked with dozens of community partners, city departments and the courts to enact a range of reforms. A list of reforms is available here.

2. General

The Office of the Treasurer and Tax Collector (TTX) seeks Drupal long-term support services for TTX, the Office of Financial Empowerment (OFE) and the Financial Justice Project (FJP) websites.

The contract shall have an original anticipated term of 3 years. In addition, the City shall have 2 options to extend the term for a period of 3 years each, which the City may exercise in its sole, absolute discretion.

The contract total compensation for the original period is expected to not exceed $100,000. Should the contract be extended, the annual compensation will increase at a rate similar to the per year costs of the original term. Proposers may submit proposals with greater or lesser value, and cost and reasonableness of rates will be considered as part of the evaluation.

It is the Office of the Treasurer and Tax Collector’s intent to select a Proposer for contract negotiations that will provide the best overall service package inclusive of fee considerations. Proposers selected for contract negotiations are not guaranteed a contract. This RFP does not in any way limit the Office of the Treasurer and Tax Collector’s right to solicit contracts for similar or identical services if, in the Office of the Treasurer and Tax Collector’s sole and absolute discretion, it determines the proposals are inadequate to satisfy its needs.

If required information is complete, but the department determines that the Proposer does not meet minimum qualifications, Proposer may be deemed non-responsive.

The City reserves the right to request clarifications from Proposers prior to rejecting a proposal for failure to meet the minimum qualifications. Clarifications are limited exchanges between the City and Proposer for the purpose of clarifying certain aspects of the proposal and will not provide a Proposer the opportunity to revise or modify its proposals. Proposers who fail to do so will waive all further rights to protest, based on these specifications and conditions.

C. Objections to RFP Terms

Should a Proposer object on any ground to any provision or legal requirement set forth in this RFP, the Proposer must, not less than 72 hours prior to the RFP deadline, provide written notice to the Department setting forth with specificity the grounds for the objection. The failure of a Proposer to object in the manner set forth in this paragraph shall constitute a complete and irrevocable waiver of any such objection.

D. Change Notices

The Department may modify the RFP, prior to the proposal due date, by issuing an Addendum to the RFP, which will be posted on the website. The Proposer shall be responsible for ensuring that its proposal reflects any and all Bid Addendum(s) issued by the Department prior to the proposal due date regardless of when the proposal is submitted. Therefore, the City recommends that the Proposer consult the website frequently, including shortly before the proposal due date, to determine if the Proposer has downloaded all Bid Addendum(s). E. Term of Proposal

Submission of a proposal signifies that the proposed services and prices are valid for 180 calendar days from the proposal due date and that the quoted prices are genuine and not the
result of collusion or any other anti-competitive activity. At Proposer’s election, the proposal may remain valid beyond the 180 day period in the circumstance of extended negotiations.

F. Revision of Proposal

A Proposer may revise a proposal on the Proposer’s own initiative at any time before the deadline for submission of proposals. The Proposer must submit the revised proposal in the same manner as the original. A revised proposal must be received on or before, but no later than the proposal due date and time.

In no case will a statement of intent to submit a revised proposal, or commencement of a revision process, extend the proposal due date for any Proposer.

At any time during the proposal evaluation process, the Department may require a Proposer to provide oral or written clarification of its proposal. The Department reserves the right to make an award without further clarifications of proposals received.

G. Errors and Omissions in Proposal

Failure by the Department to object to an error, omission, or deviation in the proposal will in no way modify the RFP or excuse the vendor from full compliance with the specifications of the RFP or any contract awarded pursuant to the RFP.

H. Financial Responsibility

The City accepts no financial responsibility for any costs incurred by a firm in responding to this RFP. Submissions of the RFP will become the property of the City and may be used by the City in any way deemed appropriate.

I. Proposer’s Obligations under the Campaign Reform Ordinance

Proposers must comply with Section 1.126 of the S.F. Campaign and Governmental Conduct Code, which states:

No person who contracts with the City and County of San Francisco for the rendition of personal services, for the furnishing of any material, supplies or equipment to the City, or for selling any land or building to the City, whenever such transaction would require approval by a City elective officer, or the board on which that City elective officer serves, shall make any contribution to such an officer, or candidates for such an office, or committee controlled by such officer or candidate at any time between commencement of negotiations and the later of either (1) the termination of negotiations for such contract, or (2) three months have elapsed from the date the contract is approved by the City elective officer or the board on which that City elective officer serves.

If a Proposer is negotiating for a contract that must be approved by an elected local officer or the board on which that officer serves, during the negotiation period the Proposer is prohibited from making contributions to:

• the officer’s re-election campaign
• a candidate for that officer’s office
• a committee controlled by the officer or candidate.

The negotiation period begins with the first point of contact, either by telephone, in person, or in writing, when a contractor approaches any city officer or employee about a particular contract, or a city officer or employee initiates communication with a potential contractor about a contract. The negotiation period ends when a contract is awarded or not awarded to the contractor. Examples of initial contacts include: (1) a vendor contacts a city officer or employee to promote himself or herself as a candidate for a contract; and (2) a city officer or employee contacts a contractor to propose that the contractor apply for a contract.
Inquiries for information about a particular contract, requests for documents relating to a Request for Proposal, and requests to be placed on a mailing list do not constitute negotiations.

Violation of Section 1.126 may result in the following criminal, civil, or administrative penalties:

1. **Criminal.** Any person who knowingly or willfully violates section 1.126 is subject to a fine of up to $5,000 and a jail term of not more than six months, or both.

2. **Civil.** Any person who intentionally or negligently violates section 1.126 may be held liable in a civil action brought by the civil prosecutor for an amount up to $5,000.

3. **Administrative.** Any person who intentionally or negligently violates section 1.126 may be held liable in an administrative proceeding before the Ethics Commission held pursuant to the Charter for an amount up to $5,000 for each violation.

For further information, Proposers should contact the San Francisco Ethics Commission at (415) 581-2300.

**J. Sunshine Ordinance**

In accordance with S.F. Administrative Code Section 67.24(e), contractors’ bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person’s or organization’s net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

**K. Public Access to Meetings and Records**

Administrative Code, the Proposer must comply with Chapter 12L. The Proposer must include in its proposal (1) a statement describing its efforts to comply with the Chapter 12L provisions regarding public access to Proposer’s meetings and records, and (2) a summary of all complaints concerning the Proposer’s compliance with Chapter 12L that were filed with the City in the last two years and deemed by the City to be substantiated. The summary shall also describe the disposition of each complaint. If no such complaints were filed, the Proposer shall include a statement to that effect. Failure to comply with the reporting requirements of Chapter 12L or material misrepresentation in Proposer’s Chapter 12L submissions shall be grounds for rejection of the proposal and/or termination of any subsequent Agreement reached on the basis of the proposal.

**L. Reservations of Rights by the City**

The issuance of this RFP does not constitute an agreement by the City that any contract will actually be entered into by the City. The City expressly reserves the right at any time to:

1. Waive or correct any defect or informality in any response, proposal, or proposal procedure;
2. Reject any or all proposals;
3. Reissue a Request for Proposals;

5. Procure any materials, equipment or services specified in this RFP by any other means; or
6. Determine that no project will be pursued.

For the amount of hourly gross compensation currently required under the MCO, see www.sfgov.org/olse/mco. Note that this hourly rate may increase on January 1 of each year and that contractors will be required to pay any such increases to covered employees during the term of the contract.

If the contract is for more than $50,000, then the First Source Hiring Program (Admin. Code Chapter 83) may apply. Generally, this ordinance requires contractors to notify the First Source Hiring Program of available entry-level jobs and provide the Workforce Development System with the first opportunity to refer qualified individuals for employment.

Contractors should consult the San Francisco Administrative Code to determine their compliance obligations under this chapter. Additional information regarding the FSHP is available on the web at http://oewd.org/first-source and from the First Source Hiring Administrator, (415) 701-4848.

F. Conflicts of Interest

The successful Proposer will be required to agree to comply fully with and be bound by the applicable provisions of state and local laws related to conflicts of interest, including Section 15.103 of the City's Charter, Article III, Chapter 2 of City’s Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California. The successful Proposer will be required to acknowledge that it is familiar with these laws; certify that it does not know of any facts that constitute a violation of said provisions; and agree to immediately notify the City if it becomes aware of any such fact during the term of the Agreement.

Individuals who will perform work for the City on behalf of the successful Proposer might be deemed consultants under state and local conflict of interest laws.
