I. INTRODUCTION AND SOLICITATION SCHEDULE

A. Introduction

1. General

This Request for Proposals (hereinafter “RFP” or “Solicitation”) is being issued by the Office of the Treasurer and Tax Collector (hereinafter, “TTX” or “City”). TTX is seeking qualified suppliers (“Proposers”) to provide proposals (“Proposal”) for family engagement and student outreach services to promote the San Francisco Kindergarten to College (K2C) and CalKIDS programs to participating families in the San Francisco Unified School District (SFUSD).

When applicable and practical, Proposers are encouraged to engage grant teams that reflect the diversity of the City and include participation of businesses and residents from the City’s most disadvantaged communities including, but not limited to the Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhoods.

2. Selection Overview

The City shall award a grant to up to five (5) Proposers that meet the Minimum Qualifications of this Solicitation and obtain over 70 points total. In the event there are more than 5 proposers with total scores over 70, the 5 highest ranking Proposers will be selected for award. Responsive Proposals will be evaluated by a panel (“Evaluation Panel”) consisting of one or more parties with expertise related to goods and/or services being procured through this Solicitation. The Evaluation Panel may include staff from various City departments. Proposals will be evaluated based on the criteria outlined herein.

Each grant awarded pursuant to this Solicitation shall be non-exclusive with an original term of 2 years. The City at its sole, absolute discretion, shall have the option to extend the term for 2 additional years for a total of 4 years.

B. Anticipated Grant Amount

Each grant awarded pursuant to this Solicitation shall have a not to exceed (“NTE”) amount of $140,000 for the initial term. This amount is based on City’s estimated spend over the advertised initial grant term. Should City’s actual spend exceed its estimated spend for the initial term, City may in its sole discretion increase the grant by $30,000 for the initial term. Should City exercise its options to extend the grant beyond the initial term, City may also elect to increase the NTE proportionally.

C. Solicitation Schedule

The anticipated schedule for this Solicitation is set forth below. These dates are tentative and subject to change. It is the responsibility of the Proposer to check for any Addenda to this Solicitation or other published pertinent information.

(1) Mark those sections to which it objects (redline);
(2) Set forth Proposer’s alternative terms with respect to each such section; and
(3) Explain the basis for each proposed change.

If a satisfactory contract(s) cannot be negotiated in a reasonable time, the City, in its sole discretion, may terminate negotiations. Upon termination of negotiations, City may begin negotiation with the Proposer that meets the Minimum Qualifications of this Solicitation whose Proposal receives the next highest-ranking score.

Proposers who fail to submit questions concerning this Solicitation and its requirements will waive all further rights to protest based on the specifications and conditions herein. **Questions must be submitted by email to the Grant Administrator whose name and contact information appears on the cover page of this Solicitation no later than Written Questions Due Date.** A written Addendum will be executed addressing each question and answer and posted publicly. It is the responsibility of the Proposer to check for any Addenda and other updates that will be posted on the City’s Supplier Portal at: [https://sfcitypartner.sfgov.org/pages/index.aspx](https://sfcitypartner.sfgov.org/pages/index.aspx) and at the TTX website here: [https://sftreasurer.org/about-us/request-proposals](https://sftreasurer.org/about-us/request-proposals).

2. **Proposal Format**

Proposals must be created using a word processing software (e.g. Microsoft Word or Excel) and typed in a serif font (e.g.- Times New Roman). The document must have page margins of at least .5” on all sides. Information must be provided at a level of detail that enables effective evaluation and comparison between Proposals. Failure to follow formatting, submission, or content requirements, as well as page limit restrictions (if any), may negatively impact the evaluation of your Proposal.

**C. Proposal Addenda**

The City may modify this Solicitation, prior to the Proposal Due Date, by issuing an Addendum to the Solicitation, which will be posted on the San Francisco Supplier Portal and the TTX website. Every Addendum will create a new version of the Sourcing Event and Proposers must monitor the event for new versions. **The Proposer shall be responsible for ensuring that its Proposal reflects any and all Addenda issued by the City prior to the Proposal Due Date regardless of when the Proposal is submitted.** Therefore, the City recommends that the Proposer consult the website frequently, including shortly before the Proposal Due Date, to determine if the Proposer has downloaded all Solicitation Addenda. It is the responsibility of the Proposer to check for any Addenda, Questions and Answers documents, and updates, which may be posted to the subject Solicitation.
THE SUBMITTAL OF A RESPONSE TO THIS SOLICITATION SHALL EXPLICITLY STIPULATE ACCEPTANCE BY PROPOSERS OF THE TERMS FOUND IN THIS SOLICITATION, ANY AND ALL ADDENDA ISSUED TO THIS SOLICITATION, AND THE PROPOSED GRANT TERMS.

D. Public Disclosure

All documents under this solicitation process are subject to public disclosure per the California Public Records Act (California Government Code Section §6250 et. Seq) and the San Francisco Sunshine Ordinance (San Francisco Administrative Code Chapter 67). Contracts, Proposals, responses, and all other records of communications between the City and Proposers shall be open to inspection immediately after a grant has been awarded. Nothing in this Administrative Code provision requires the disclosure of a private person’s or organization’s net worth or other proprietary financial data submitted for qualification for a grant or other benefit until and unless that person or organization is awarded the grant or benefit.

If the City receives a Public Records Request (“Request”) pertaining to this solicitation, City will use its best efforts to notify the affected Proposer(s) of the Request and to provide the Proposer with a description of the material that the City deems responsive and the due date for disclosure (“Response Date”). If the Proposer asserts that some or all of the material requested contains or reveals valuable trade secret or other information belonging to the Proposer that is exempt from disclosure and directs the City in writing to withhold such material from production (“Withholding Directive”), then the City will comply with the Withholding Directive on the condition that the Proposer seeks judicial relief on or before the Response Date. Should Proposer fail to seek judicial relief on or before the Response Date, the City shall proceed with the disclosure of responsive documents.

E. Limitation on Communications During Solicitation

From the date this Solicitation is issued until the date the competitive process of this Solicitation is completed (either by cancelation or final Award), Proposers and their subcontractors, vendors, representatives and/or other parties under Proposer’s control, shall communicate solely with the Grant Administrator whose name appears in this Solicitation. Any attempt to communicate with any party other than the Grant Administrator whose name appears in this Solicitation – including any City official, representative or employee – is strictly prohibited. Failure to comply with this communications protocol may, at the sole discretion of City, result in the disqualification of the Proposer or potential Proposer from the competitive process. This protocol does not apply to communications with the City regarding business not related to this Solicitation.

F. Proposal Selection Shall Not Imply Acceptance

The acceptance and/or selection of any Proposal(s) shall not imply acceptance by the City of all terms of the Proposal(s), which may be subject to further approvals before the City may be legally bound thereby.

G. Cybersecurity Risk Assessment

As part of City’s evaluation process, City may engage in Cybersecurity Risk Assessment (CRA). CRA may be performed for each entity manufacturing the product, performing technical functions related to the product’s performance, and/or accessing City’s networks and systems. Where a prime contractor or reseller plays an active role in each of these activities, CRA may also be required for the prime contractor or reseller.
To conduct a CRA, City may collect as part of this Solicitation process one of the following two reports:

- **SOC-2 Type 2 Report**: Report on Controls at a Service Organization Relevant to Security, Availability, Processing Integrity, Confidentiality or Privacy; or
- **City’s Cyber Risk Assessment Questionnaire**: Proposer’s responses to a City’s Cyber Risk Assessment Questionnaire.

The above reports may be requested at such time City has selected or is considering a potential Proposer. The reports will be evaluated by the soliciting Department and the City’s Department of Technology to identify existing or potential cyber risks to City. Should such risks be identified, City may afford a potential Proposer an opportunity to cure such risk within a period of time deemed reasonable to City. Such remediation and continuing compliance shall be subject to City’s on-going review and audit through industry-standard methodologies, including but not limited to: on-site visits, review of the entities’ cybersecurity program, penetration testing, and/or code reviews.

**H. Solicitation Errors and Omissions**

Proposers are responsible for reviewing all portions of this Solicitation. Proposers are to promptly notify the City, in writing and to the Solicitation contact person if the Proposer discovers any ambiguity, discrepancy, omission, or other error in the Solicitation. Any such notification should be directed to the City promptly after discovery, but in no event later than the deadline for questions. Modifications and clarifications will be made by Addenda as provided below.

**I. Objections to Solicitation Terms**

Should a Proposer object on any ground to any provision or legal requirement set forth in this Solicitation, the Proposer must, no later than the deadline for questions, provide written notice to the City setting forth with specificity the grounds for the objection. The failure of a Proposer to object in the manner set forth in this paragraph shall constitute a complete and irrevocable waiver of any such objection.

**J. Protest Procedures**

1. **Protest of Non-Responsiveness Determination**

Within three (3) business days of the City's issuance of a Notice of Non-Responsiveness, a Proposer may submit a written Notice of Protest of Non-Responsiveness. The Notice of Protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The Notice of Protest must be signed by an individual authorized to represent the Proposer, and must cite the law, rule, local ordinance, procedure or Solicitation provision on which the protest is based. In addition, the Notice of Protest must specify facts and evidence sufficient for the City to determine the validity of the protest.

2. **Protest of Non-Responsible Determination**

The Notice of Protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The Notice of Protest must be signed by an individual authorized to represent the Proposer, and must cite the law, rule, local ordinance, procedure or Solicitation provision on which the protest is based. In addition, the Notice of Protest must specify facts and evidence sufficient for the City to determine the validity of the protest.
3. **Protest of Grant Award**

Within three (3) business days of the City's issuance of a Notice of Intent to Award, a Proposer may submit a written Notice of Protest of Grant Award. The Notice of Protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The Notice of Protest must be signed by an individual authorized to represent the Proposer, and must cite the law, rule, local ordinance, procedure or Solicitation provision on which the protest is based. In addition, the Notice of Protest must specify facts and evidence sufficient for the City to determine the validity of the protest.

4. **Delivery of Protests**

A Notice of Protest must be written. Protests made orally (e.g., by telephone) will not be considered. A Notice of Protest must be delivered by mail or email to the Grant Administrator whose name and contact information appears on the cover page to this Solicitation and received by the due dates stated above. A Notice of Protest shall be transmitted by a means that will objectively establish the date the City received the Notice of Protest. If a Notice of Protest is mailed, the protestor bears the risk of non-delivery within the deadlines specified herein.

**K. Proposal Term**

Submission of a Proposal signifies that the proposed products, services and prices are valid for 180 calendar days from the Proposal Due Date and that the quoted prices are genuine and not the result of collusion or any other anti-competitive activity. At Proposer’s election, the Proposal may remain valid beyond the 180-day period in the circumstance of extended negotiations.

**L. Revision to Proposal**

A Proposer may revise a Proposal on the Proposer’s own initiative at any time before the deadline for submission of Proposals. The Proposer must submit the revised Proposal in the same manner as the original. A revised Proposal must be received on or before, but no later than the Proposal Due Date and time. In no case will a statement of intent to submit a revised Proposal, or commencement of a revision process, extend the Proposal Due Date for any Proposer. At any time during the Proposal evaluation process, the City may require a Proposer to provide oral or written clarification of its Proposal. The City reserves the right to make an award without further clarifications of Proposals received.

**M. Proposal Errors and Omissions**

Failure by the City to object to an error, omission, or deviation in the Proposal will in no way modify the Solicitation or excuse the Proposer from full compliance with the specifications of this Solicitation or any grant awarded pursuant to this Solicitation.

**N. Financial Responsibility**

The City accepts no financial responsibility for any costs incurred by a Proposer in responding to this Solicitation. Proposers acknowledge and agree that their submissions in response to this Solicitation will become the property of the City and may be used by the City in any way deemed appropriate.

**O. Proposer’s Obligations under the Campaign Reform Ordinance**

If a grant awarded pursuant to this Solicitation has (A) a value of $100,000 or more in a fiscal year and (B) requires the approval of an elected City official, Proposers are hereby advised:
1. Submission of a Proposal in response to this Solicitation may subject the Proposers to restrictions under Campaign and Governmental Conduct Code Section 1.126, which prohibits City contractors, Proposers, and their affiliates from making political contributions to certain City elective officers and candidates; and

2. Before submitting a Proposal in response to this Solicitation, Proposers are required to notify their affiliates and subcontractors listed in the awarded grant or Proposal of the political contribution restrictions set forth in Campaign and Governmental Conduct Code section 1.126.

This restriction applies to the party seeking the contract, the party’s board of directors, chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest greater than ten percent, and any political committees controlled or sponsored by the party, as well as any subcontractors listed in the awarded grant or Proposal. The law both prohibits the donor from giving contributions and prohibits the elected official from soliciting or accepting them.

The people and entities listed in the preceding paragraph may not make a campaign contribution to the elected official at any time from the submission of a Proposal for a grant until either: (1) negotiations are terminated and no grant is awarded; or (2) twelve months have elapsed since the award of the contract.

A violation of Section 1.126 may result in criminal, civil, or administrative penalties.
