I. INTRODUCTION AND SOLICITATION SCHEDULE

A. Introduction

1. General

This Request for Proposals (hereinafter “RFP” or “Solicitation”) is being issued by the Office of the Treasurer and Tax Collector (hereinafter, “TTX” or “City”). TTX is seeking qualified organizations (“Proposers”) to provide proposals (“Proposal”) for financial counseling service provision to people living, working, or receiving services in San Francisco, with an emphasis on BIPOC, low-income, and at-risk communities with inequitable financial access and opportunities.

The City has approximately 65 departments, ranging from small to very large. Some departments maintain facilities located outside of the geographic limits of the City. TTX shall order goods and/or services covered by the awarded contract(s) through the issuance of individual Purchase Orders and/or Task Orders which shall be released against the awarded contract(s) during the contract term.

Selection Overview

The City shall award contracts to up to four (4) Proposers that meet the Minimum Qualifications of this Solicitation, score a minimum of 70 points on the written proposal and 50 points in the oral interview. Responsive Proposals will be evaluated by a panel (“Evaluation Panel”) consisting of one or more parties with expertise related to goods and/or services being procured through this Solicitation. The Evaluation Panel may include staff from various City departments and community-based partners. Proposals will be evaluated based on the criteria outlined herein.

B. Anticipated Contract Term

A contract awarded pursuant to this Solicitation shall be non-exclusive with an original term of 5 (five) years. The City at its sole, absolute discretion, shall have the option to extend the term for up to 5 (five) additional years for a total of up to 10 (ten) years.

Anticipated Contract Not to Exceed Amount

Each contract awarded pursuant to this Solicitation shall have a not to exceed (“NTE”) amount of \$4 million for the initial term. This amount is based on City’s estimated spend over the advertised initial contract term. Should City’s actual spend exceed its estimated spend for the initial term, City may in its sole discretion increase the contract NTE for the initial term. Should City exercise its options to extend the contract beyond the initial term, City may also elect to increase the NTE proportionally.

C. Indefinite Quantity, As-Needed Contract

A contract awarded pursuant to this Solicitation will result in a term, indefinite quantities, as-needed contract. TTX shall request a minimum of \$200,000 of services as outlined in this solicitation in the first year of the contract. For subsequent years of the contract, TTX shall allocate additional professional services work as needed to meet the needs of financial counseling clients, our department, and our program funders. Unless otherwise specified herein, deliveries and services will be required in quantities and at times as ordered during the period of the contract. Estimated quantities, if any, stated in this Solicitation are approximations only. City, in its sole discretion, may purchase any greater or lesser quantity. City may also make purchases of items awarded pursuant to this Solicitation from other suppliers when City determines, in its sole discretion, that it is in the best interest of the City to do so.

D. Cooperative Agreement

Any other City department, public entity or non-profit made up of multiple public entities, may use the results of this Solicitation to obtain some or all of the commodities or services to be provided by Proposer under the same terms and conditions of any contract awarded pursuant to this Solicitation upon approval.

F. Solicitation Errors and Omissions

Proposers are responsible for reviewing all portions of this Solicitation. Proposers are to promptly notify the City, in writing and to the Solicitation contact person if the Proposer discovers any ambiguity, discrepancy, omission, or other error in the Solicitation.
