4	<p>We reviewed the answers but are still unclear on how to include all the costs into one pay rate.</p> <p>Does that mean all total costs should be calculated into the hourly base rate for this proposal, and another budget narrative will need to be submitted after the award of the grant?</p>	<p>Proposals will be evaluated by scoring the proposed Base Hourly Rate, utilizing the formula provided in the RFP:</p> <p>Score = (Lowest Proposed Base Hourly Rate/Proposer's Base Hourly Rate) x (15 points)</p> <p>Proposers Base Hourly Rate should include all costs listed in Attachment 6 – costs for providing counseling services, outreach activities, and client administrative activities, as well as all overhead costs, including those listed in your question for operations, contract administration, training, and anything else proposers plan to charge for. Additional allowable expenses are listed in Attachment 6 and do not need to be included in the hourly base rate: NACCC certification, credit reports, ChexAdvisor reports.</p> <p>We will not accept a separate budget after proposals have been submitted.</p>
