STADIUM OPERATOR ADMISSION TAX
APPLICATION FOR PERMIT

All non-exempt operators holding an athletic contest, exhibition, or other special event at a stadium in San Francisco are required to obtain a permit from the San Francisco Tax Collector before the event is held. Operators are also required to make a deposit of a cashier’s check or bond in the amount of the estimated Stadium Operator Admission Tax that will be due for the event. The deposit amount is calculated below. See Article 11 of the San Francisco Business and Tax Regulations Code for more information about these requirements.

To receive your permit, you must complete all fields of this application and mail it with your cashier’s check or bond to: San Francisco Tax Collector, P.O. Box 7425, San Francisco, CA 94120-7425.

Note that the following operators are exempt from the permit and deposit requirements:
1. Athletic teams who have leases from the City and County of San Francisco for the right to exhibit athletic contests for a period longer than five years; and
2. Operators or sponsors of all-star charity athletic contests where the entire proceeds go to charity.
