

Do you pay your tax bills online? Our ACH ID Has Changed!

The Office of the Treasurer & Tax Collector has a new ACH ID number. If you have an ACH Block on your account as a fraud prevention tool, advise your bank to add our new ACH ID to your authorized debit list for Electronic Check payments.

Our new ACH ID (Origination ID) is: **D946000417**

It is important that you act to ensure your payment is processed.

If you do not have an ACH Debit Filter in place, no action is required. If you have any questions regarding your account and ACH Debit Filters, please contact your financial institution.
